BE THE CHANGE

Engaging the Community

Through social media and direct email, IDB engaged with our followers to spread awareness about diaper need. Diapers are a basic need which are not covered by government assistance. During this pandemic crisis, basic needs are critical to provide for our community. Follow us on Facebook and Instagram!

Diaper Need Awareness Week was proclaimed across the country and by Gov. Little here in Idaho.

Idaho Diaper Bank held a ribbon cutting during Diaper Need Awareness Week to officially open our new space in Meridian. Channel 6 was there to film it for a news spot.

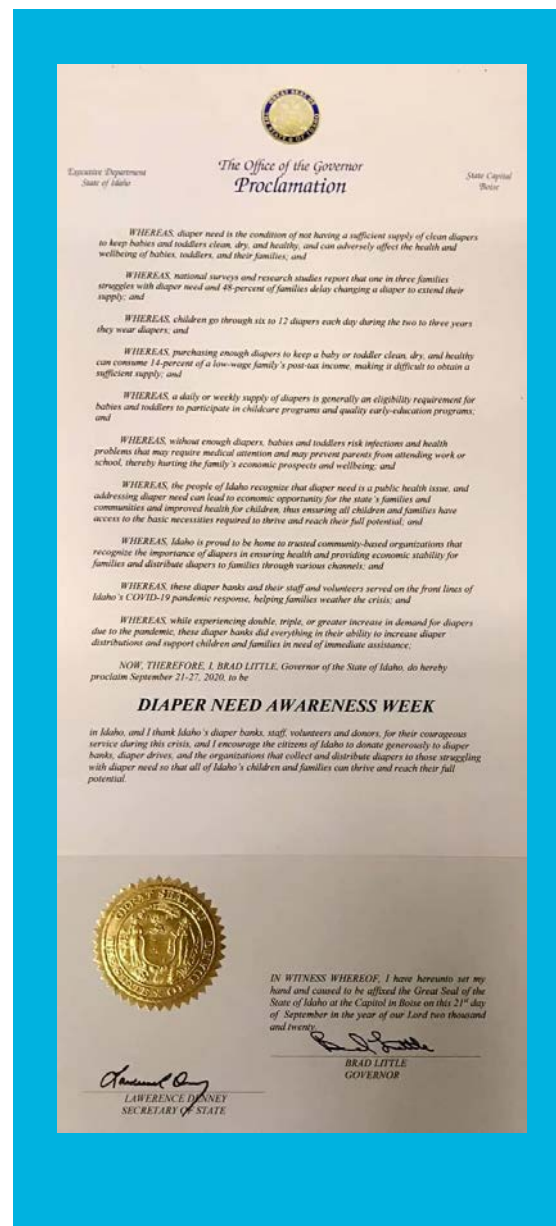

IDB was nominated and spoke at IMPACT CLUB Boise virtual event for the third time to spread awareness.
