AJ's Angels—Diaper Bundling

You have all seen the increased need in your communities. We have distributed 27% more diapers to all of you in this quarter compared to Q2—over 204,600 diapers covering ~5,135 bottoms!

To accomplish this:

- IDB received +35,000 Gifts-in-Kind valuing \$12,450
- IDB purchased 152,514 diapers and pull-ups for \$45,241

We could not get that number of diapers bundled and out to you without help!

Order of Malta is now partnering with IDB to pick and pack the monthly agency requests. They have proven to be a strong partner and is providing suggestions and improvements in the process.

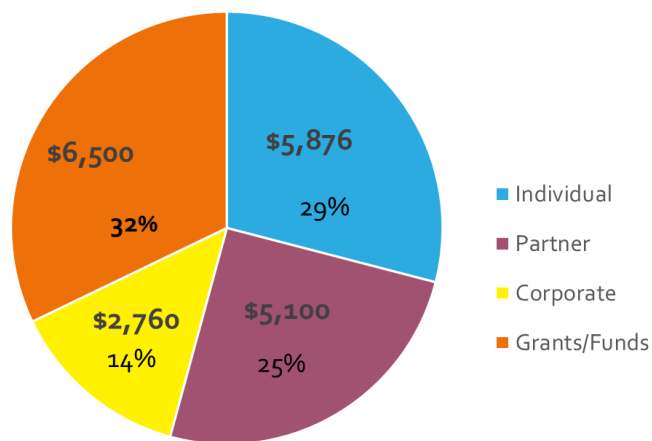

AJ's Angels are now volunteering every 2nd Tuesday to bundle diapers and help prepare for Diaper

Strategic Pillar: Sustainability

Q3 Contributions

By focusing on diaper need, the Idaho Diaper Bank (IDB) works to meet the basic needs of children and families. Idaho Diaper Bank was established to provide diapers, diapering supplies and advocacy to families in need through partnership agencies. These agencies serve infants and families including childcare centers, crisis nurseries, domestic violence shelters, food pantries and faith-based organizations. Idaho Diaper Bank seeks to engage communities to recognize that diapers are a basic need, along with food and shelter.
