- Raised over \$5,000 for our cause
- Enjoyed a beautiful evening on the deck at Telaya Wine Co. mingling with friends and meeting new ones.

A huge shoutout to our amazing sponsors who covered all event costs:

## Diaper Distribution Update

We're making incredible progress towards our 2024 goals:

- Goal: Distribute 1 Million diapers and cover 20,000 babies
- Current trend: 80,000-100,000 diapers distributed monthly in the Treasure Valley
- Average of 2,100 babies diapered every month

We have seen a 33% increase in Diaper Need this year compared to last year, making your support more crucial than ever! Click below to contribute to our diaper fund to help us provide clean diapers for our babies in need.

It takes a village to distribute that many diapers and serve that many babies every month! We have volunteers pick and pack up to 45 orders every month.

All our diapers are bundled in packages of 25 diapers. Not all donated diapers come in packages of 25's. That is where our volunteer bundlers come to the rescue.

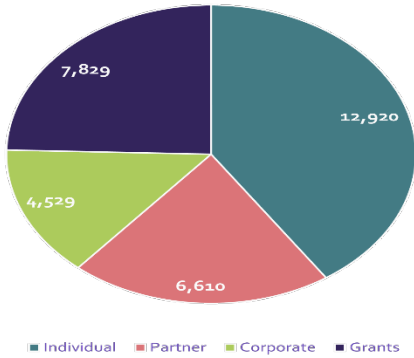

Do you have a group that would like to come bundle diapers? A group of teens that need community service hours? Click the button below to send an email about group bundling.

### Idaho Diaper Bank Seeks Corporate Partners

The Idaho Diaper Bank is on a mission to ensure all Idaho babies have access to an adequate supply of diapers. However, we can't do it alone. That's why we are seeking corporate sponsorships to help build capacity and better serve families in need across the state.

43% of all Idaho families struggle to afford enough diapers for their little ones. Without access to diapers, babies are unable to participate in early childhood education programs and parents cannot go to work or school. The Idaho Diaper Bank purchases, collects and distributes diapers to partner organizations that then provide them directly to families in need.

By becoming a corporate sponsor, businesses can make a tangible difference in the lives of Idaho's most vulnerable young children and their families. Sponsorship

packages are available at various levels and can include promotional benefits for the sponsoring company. All sponsorships directly support the Idaho Diaper Bank's mission.

Interested companies can contact the Idaho Diaper Bank at [Traci@idahodiaperbank.org](mailto:Traci@idahodiaperbank.org) to learn more about how they can get involved. Together, we can ensure all Idaho babies have a chance to be healthy and happy.

IDB provides access to diapers for families struggling to make ends meet. There are no government subsidies that families in need can use to help them buy this basic necessity for their babies. Won't you **Be The Change** for babies in your community?
